

SPRING COMMUNITY NEWS

Our Community Valentines!

Each year the Community Club selects a few "Special Club Valentines" who receive a handmade gift. The 2011 recipients received quilted Heart Throws hand sewn by Lee Beattie which incorporated cloth hearts cut out by the late Mary Prior. This year's recipients were Arnold and Shirley Langmaid, Betty Hutchins and Freda Byron. Previous year's Valentines were also remembered with a red rose and Valentine chocolates. Two of these folks are Evelyn McReynolds and Arlene Hubbard who are both in the hundred year old age and still full of humor and enjoy visiting. Arlene is a member of the Living Strong exercise group that meets at the Senior Meal Site in Danville. Others visited included the McFarland's, Shirley Langmaid, Irma McGill, Dennis Myrick, Jeff Vance and Elizabeth Szymanik.

- ♦ **REMEMBER** as we start a long period of road construction in Danville village- If you detour through North Danville on your way into or out of town, many children, pets and farm animals move around North Danville Village every day. We thank you to apply a little extra caution!
- ♦ **The WAIT is almost over!** The CVMO Farm Stand (aka the Snack Shack, Pie Shack and many other local monikers!) will be reopening for the summer in April.

From the President's Corner

As we start looking forward to Spring actually arriving (though we all enjoy Pot Hole, Sugar and Mud seasons first!) the Community Club moves past our fall and winter events and begins to look forward to some Spring and Summer fun! Our Easter Egg hunt will be offered again to all the younger community members the Saturday before Easter. May Day has for centuries been a traditional holiday marking the end of the winter and the Community Club continues to recognize this May 1st holiday by sprinkling the community with May baskets (small baskets of sweets and flowers) for those who may need that extra spring pick-me-up! And we will soon start plans for the 4th of July Celebration, so if you or your club, class or organization have any ideas or suggestions for the 4th, please contact Kim Prior (684-3498) or stop in at the next meeting you can, the first Monday night of the month at 7pm.

President, Kim Prior

Danville Historical Society Events

April- This year's Annual Meeting will host a speaker (not finalized at the time the newsletter goes out!) concerning the Civil War. Also in April the Historical Society will be hosting different presenters who will be working with the Danville School students in a humanities program.

May- The Society will be showing the video *Life in Caledonia County*, (a video that combines the stories and memories of fifteen local residents sharing what life was like growing up in the area) at the Danville School gym as a fundraiser. They hope to have a panel consisting of residents who participated in the film and those behind the making of the film. The Society will also be spearheading this year's **Memorial Day Services**, including decorating the graves of Danville's Civil War Soldiers and an encampment in Danville by the **Vermont Civil War Hemlocks**, one of the oldest Civil War living history organizations!

Check out the Historical Society's new web page <http://danvillevthistorical.org/> for specific dates or more information!

Pope Library Book Discussion Series

The **Pope Memorial Library** presents the Vermont Humanities Council book discussion series called "Retellings". The next discussion, scheduled for **Wednesday, March 30th** at 7pm, is on the book "March" by Geraldine Brooks, based on "Little Women". Scholar Patricia Norton will lead the discussion and books are available at the Pope for interested readers. And as always, **Wednesday mornings at 10AM** is Story Hour for our younger readers! Please join them for books, songs, activities and a snack! The Pope also has state and federal tax forms available.

Tea Room Seeks Assistance!

Several community members have expressed interest in seeing the Friday Afternoon Tea Room resume at North Danville Baptist Church next year. After the Friday, March 25th Tea, Sue and Dick Strifert will be retiring from this mission to support the Open Door. If you would be interested in helping to continue this "middle of winter," weekly, "spot of joy" next year, please call Lynda Farrow at 684-3694. The 3 month (January through March) Friday Tea will need many hands to do the job that Sue and Dick have done for 7 years, but with many hands the work should not be overwhelming for anyone. With enough interest, individual participation could be as little as once or twice during the three months, and the Open Door would continue to benefit.
